mono cartons

Approved and accredited by:

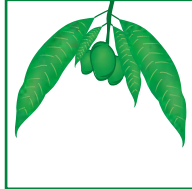

USAGE PER ACRE

Identification	Monitoring
 <p>2 Barrix Magic Sticker Blue Sheets</p>	 <p>10 Barrix Magic Sticker Blue Sheets</p>

STAGES TO USE

			
Vegetative	Flowering	Fruiting	Harvesting

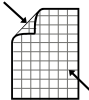

HOW TO USE

 <p>Peel apart the sticky sheets.</p>	 <p>Place the traps just above the crop foliage. Adjust the height as the plants grow.</p>
 <p>Insert a stick through the slots in the sheet.</p>	 <p>In greenhouses, additionally use near vents and doors for better monitoring.</p>

After installation, to remove gum from your hands, apply coconut oil or cooking oil and wash with soap and water.

ADVANTAGES

 <p>Non-drying</p>	 <p>Non-fading</p>	 <p>Non-dripping</p>
 <p>Water proof</p>	 <p>Double side gumming, extra large surface</p>	 <p>Resistant to high temperature (up to 60°C)</p>
